SHIVAM

Proficient in React, JavaScript, and TypeScript with 2+ years of experience building scalable applications. Skilled in reusable components, dynamic routing, and optimizing user experience. Adept at leading teams to meet deadlines while maintaining technical excellence.

Experience

AUGUST 2023 – PRESENT

Junior Software Developer | Dreamsoft4u Pvt. Ltd. | Jaipur, Rajasthan

- Delivered 5+ projects, improving workflow efficiency by creating reusable components.
- Resolved critical software issues, ensuring optimal performance.
- Led a team to complete projects within budget and deadlines.

FEBRUARY 2023 – JULY 2023

Software Developer Intern | Dreamsoft4u Pvt. Ltd. | Jaipur, Rajasthan

- Gained hands-on experience in React, JavaScript, and TypeScript.
- Contributed to 2 major projects, collaborating with cross-functional teams.

Projects

OCTOBER 2024 – PRESENT

Genoroot

- Architected dynamic routing and robust state management using Redux.
- Innovated reusable components with Ant Design and Tailwind CSS, improving development speed by 20%.

DECEMBER 2023 – APRIL 2024

MaxLink Health

- Developed real-time health monitoring with IoT integration and scalable APIs.
- Created alert and visualization systems for critical patient data.

Technical Skills

Languages & Frameworks: React, JavaScript, TypeScript, C++

Libraries & Tools: Redux, Ant Design, MUI, Charts, Tailwind CSS, Git/GitHub

Development Concepts: Data Structures and Algorithms, API Design, CMS

Development Practices: Agile (Scrum/Kanban), Version Control

Soft Skills

Agile Team Leadership: Experienced in leading teams, ensuring seamless collaboration and timely project delivery.

Problem-Solving: Strong troubleshooting and analytical skills, quickly identifying and resolving technical issues.

Detail-Oriented Development: Attentive to code quality and maintainability.

Critical Thinking & Adaptability: Proactively approaches challenges with innovative, solutions-driven thinking.

Time Management: Proficient at managing multiple tasks without sacrificing quality or deadlines.

Education

AUGUST 2019 - AUGUST 2023

BACHELOR OF TECHNOLOGY, COMPUTER SCIENCE AND ENGINEERING | JECRC University | Jaipur, Rajasthan
